620 Page Street, Berkeley, CA 94710 ~ 510-528-4052

ACCRC is a Non-Profit Environmental Charity

We refurbish and give away computers: We have been reclaiming discarded computers since 1994 to help narrow the digital divide and have given away thousands of computers to schools, non-profit organizations and economically and/or physically disadvantaged individuals. Discarded electronics are refurbished in our training program where volunteers learn to restore computers for home, school, and office applications.
